BUSINESS MANAGEMENTASSOCIATE OF APPLIED SCIENCE DEGREE

The Business Management A.A.S. Program at LLTC is structured to include courses that represent the general business functions and issues in national, international, tribal, or intertribal environments. This program includes study of the history, culture and language of the Anishinaabe.

Courses are structured to provide students with an excellent understanding of how to manage a business while being grounded in Anishinaabe language and values. The basic requirements for an A.A.S. Degree in Business Management is the completion of 60 credits.

Individuals who aspire to advance their careers may be interested in pursuing further educational opportunities to refine and enhance their capabilities. The credits a student earns at Leech Lake Tribal College are accredited and will transfer to colleges of the student's choice, depending on the transfer equivalency guidelines.

Graduates will be able to:

- Analyze all aspects of a business.
- Engage in all forms of business-specific communication.
- Apply Anishinaabe ways of knowing and being to all aspects of business management.
- Function as business managers/leaders among indigenous and non-indigenous peoples.

Earning an A.A.S. Degree in Business Management from the Leech Lake Tribal College creates opportunity for our graduates to be competitive in many different areas.
